Step 3: Join The Orange County Scroll Saw Association

Our Club was formed for the purpose of sharing the art of woodworking through the use of the scroll saw. Our membership is diverse in both age and level of scroll saw competency. Our goal is to help members improve their skills by sharing our successes and how we fixed our mistakes.

Our meetings are on the second Thursday of each month at 7:00 p.m. We currently hold them on Zoom with visitors welcome. The link to the meeting is on our website: **OCSSA.org**. We have a "How-To" presentation at each meeting and the most current is available for viewing on the website. Members have access to all past presentations plus a wealth of helpful information.

All the artwork shown in this brochure was made by our OCSSA members.
