Thoughts From The Sawdust

Be sure to put December 15th on your calendar. That is our Christmas potluck dinner and ornament exchange date. It will again be held at the Tustin Community Center with festivities starting at 6:00 p.m. If you have not already signed up on the website or at our General Meeting, do so now. Bring your favorite dish to share with the rest of us and don't be surprised if you are asked for the recipe. Also, don't forget to bring your ornament (or you will answer to LaVaun).

Starting in January, our General Meetings will take on a little different look as we search for a new Vice President. Instead of looking outside our Club for expertise and experience, we will be looking at the resource we currently have: our members. Over the years, a small number of members have always volunteered to do presentations when called upon. Actually, all of us have something we can contribute that doesn't meet the expectations of a "presentation." Equally important are the questions we all have that can probably be answered by someone in our group.

The following are a few ideas to get us started:

Look around your shop. What do you have that you don't see in other shops and why do you have it? What woodworking problem did you have and how did you solve it? Where do you buy your materials and why there? What tools do you plan to buy and why? What is your favorite type of woodworking and why?

Each newsletter will pose a question or two so you can be prepared for the discussion at the next meeting. I look forward to our January meeting. This is actually why our Club exists and why we joined.

Don't forget to get signed up for the Christmas Party.

Time to Make Some Sawdust

By Devon Day

If there is one thing about the holidays, I really enjoy, it is making gifts for friends and family. This year, I have already started working on ornament gifts. I have a special one to make for my niece, Natalie, who is celebrating her 2nd Christmas.

I have two holiday potlucks to look forward to this year including the OCSSA potluck on December 15th that include ornament exchanges. I have some ideas about what I will make this year and am looking forward to doing something new.

That brings us to this month's General Meeting on November 10th. Bring any pattern or idea you have for this year's holiday ornaments. Bring finished ornaments to show during our share time. I have a new trick to share using pyrography to enhance your hand drawn designs. I will bring my new wood burner to demonstrate this new tool.

Since, the December General Meeting will have no guest speaker, this will be my last program for 2022. I enjoyed serving on the board for four years but it is time I move on to other projects. Please contact John Howe if you are interested in serving out the last six months of my term as Vice President. I thank you for stepping forward.

My collection of hand made ornaments from OCSSA members and some of my own.

Vice President Position

By Devon Day

I let John Howe and the other board members know in September that I would not be able to serve out the entire term as Vice President. Please let John know if you would be willing to take over in December and begin planning for the January General meeting.

I can say that the most wonderful part of being a VP is visiting with and learning from the various guest speakers. I have enjoyed learning from Master Wood Workers.

OCSSA CALENDAR OF EVENTS

November 10	Monthly Meeting - Share Christmas project ideas
December 15	6:00 p.m. Start - Annual Christmas dinner and Ornament Exchange
January 12	Monthly Meeting
February 9	Monthly Meeting
March 9	Monthly Meeting

April 15 - 16	Imaginology at the OC Fairgrounds
May 11	Monthly Meeting
June 7 - July 4	SD Fair - Theme "Get Out There"
June 8	Monthly Meeting - Election of Officers
July 13	Monthly Meeting
July 14 - August 13	OC Fair - "It's Time to Feel the Sunshine"

Annual Christmas Dinner and Ornament Exchange

The December meeting will be Thursday the 15th, the time is 6:00 instead of 7:00 pm. and will be held at the **Clifton C. Miller Community Center**. This is the same location as last year. The address is 300 Centennial Way, Tustin. We will have a map in the December newsletter. The dinner at this party is a potluck. The sign-up sheet will be at the November meeting and is posted on the website. There were over 20 people at the dinner last year, so please keep that in mind when planning the size of what you bring.

We will need a volunteer to step forward and help coordinate this event, There are lots of members willing to help with the details, but we could use a lead person.

It is time to start working on your ornaments for the exchange. If you need ideas or patterns reach out to Larry Olson and he can help with some ideas.

Mentor's Corner

Now that we are meeting in person again, we will have to work on getting the Mentor's Corner back. Larry Olson is still more than happy to hear from you and help with any issues you are having with any current projects. Be sure to take advantage of this very useful information available to our club members. Larry has many years experience with woodworking and is al-ways willing to help.
